

Pineline Car + Go

Product no.	200								
Description	An alkaline presoak for day-to-day washing of a range of vehicles. Also suitable for other alkaline-resistant hard surfaces.								
Special features	Can also be used with high-pressure, hot-water and steam cleaners and with foamers. Wax safe.								
Instructions for use	<p><u>Vehicles:</u> Summer: Dilution < 5 %. Winter: Dilution 5 – 10 %. Soaking time 1 min. Rinse thoroughly with water.</p> <p><u>Other hard surfaces:</u> Dilution 0.5 – 10 %. Soaking time 1 min. Rinse thoroughly with water.</p> <p><u>Use in Foam lances:</u> Pour as-is into the foamer bottle and adjust until optimal foam is achieved. The foam is spread onto the surfaces from bottom to top. Soaking time max. 3 min. Rinse thoroughly with water.</p>								
Note!	Do not let the substance dry on surfaces to be washed. Avoid using the product in direct sunlight. Read the instructions for safe use on the label or in the Safety Data Sheet. Store sealed at +5...+30 °C.								
Working environment	Ensure adequate ventilation. The product is easily biodegradable and meets the Ecolabelling requirements.
