

Pineline Wax Shampoo

Product no.	960	
Description	Polymer-based wax shampoo concentrate for washing and caring for all types and colors of paint surfaces (Removes dirt left after pre-washing).	
Special features	Forms a thin, protective and shiny wax film on cleaned surfaces. The film promotes drying of the car and repels water and dirt after washing. (Low foam. Surface lasts up to 30 days, also withstands light maintenance washing.)	
Instructions for use:	Pre-wash the car with e.g. Pineline Heavy Duty or Active Foam. Shake before use. Mix 40 – 70 ml of concentrate in approximately 10 litres of water, depending on the dirtiness of the car. Apply the solution with a sponge to the surfaces to be washed. Leave on for 1 – 3 minutes. Finally, rinse with plenty of water and dry with a cloth or waxed cloth if necessary.	
Note!	Do not let the substance dry on surfaces to be washed. Avoid using the product in direct sunlight. Read the instructions for safe use on the label or in the Safety Data Sheet. Store sealed at +5...+30 °C.	
Technical data	Form and colour pH-value (+20 °C) Relative density	clear viscous liquid 9 1,02
Content	Cationic surfactants	5 – 15 %
Package	1 L, 4 L. Empty and rinsed packaging shall be delivered to plastic collection.
